Livery Street.*

Please join Hospice and Palliative Care of Northeastern CT as we host a special non-denominational Celebration of Life Open House service to honor the memory of your loved ones who have died this year.

We invite you and your family for an afternoon of healing and remembrance with a candle lighting, inspirational messaging, music, and a variety of unique and meaningful ways for you to pay tribute.

Connect with our hospice staff to reflect on the gentle way your loved one touched their hearts, or take time to sit and reflect in a quiet and safe space.
