

# *The Wakely Foundation*

P. O. Box 141  
Central Village, Connecticut 06332

January 2021

To Whom It May Concern:

The Wakely Foundation would like to offer a deserving student the opportunity to receive its annual \$2,000 scholarship.

## Mission Statement

The Wakely Foundation encourages continued education and community service. By providing scholarships to students who have demonstrated consistent academic excellence and who have been involved in their communities, The Wakely Foundation hopes to foster another generation of caring, committed, educated volunteers.

Although originally offered to any present or former student of Plainfield High School, Norwich Free Academy, Killingly High School, Parish Hill High School, and Harvard H. Ellis Technical High School, the Foundation has recently opened the scholarship application to anyone - including former recipients and post-grads - who wish to apply.

Each applicant's submission must meet the following requirements:

- (1) Fill out the attached application and provide the necessary materials.
- (2) Submit an essay of approximately 500 - 1,000 words to the Foundation, postmarked no later than April 15, 2021. This year's essay question is:

***Review the Mission Statement above. Project into the future ten or more years. Having achieved your degree(s) and some measure of success, how will you pay it forward?***

The recipient of the scholarship will be notified in June 2021. Payment will be awarded to the recipient upon completion of his or her first semester at an institution of higher learning, provided that the recipient has maintained at least a B average. The recipient will need to show evidence of his or her GPA by submitting an official copy of the transcript of the first semester grades to the Foundation within sixty days of completion of the first semester.

Sincerely,

*The Wakely Foundation*
