My Agent shall have the authority to make all health care decisions for me, including decisions about life-sustaining treatment, subject to any limitations I state below, if I am unable to make health care decisions myself. My Agent's authority becomes effective if my attending physician determines in writing that I lack the capacity to make or to communicate health care decisions. My Agent is then to have the same authority to make health care decisions as I would if I had the capacity to make them **EXCEPT** (here list the limitations, if any, you wish to place on your Agent's authority to act):

I direct my Agent to make health care decisions based on my Agent's assessment of my personal wishes. If my personal wishes are unknown, my Agent is to make health care decisions based on my Agent's assessment of my best interests. Photocopies of this Health Care Proxy shall have the same force and effect as the original.
