

## IN-HOME CARE

Day Kimball HomeMakers offers a variety of professional, flexible, non-medical in-home services to meet your needs or the needs of a loved one. Our personalized services are the perfect complement to in-home medical care provided by visiting nurses, therapists, geriatric care managers and physicians. And, our services are the perfect alternative to assisted living or nursing home care.

A trusted and respected community organization since 1985, we've helped hundreds of clients continue to lead active, meaningful lives — while remaining in their own homes. We take great pride in our expertise in assisting individuals who are living with Alzheimer's and other dementias. We continuously learn more about the disease and how to provide the best and most helpful services for both patient and caregiver with specialized, consistent training from the Connecticut Chapter of the Alzheimer's Association.

We are registered with the Connecticut Department of Consumer Protection (HCA #0000174), and we receive grants through Senior Resources Agency on Aging.

We encourage you to inquire about our services before a crisis occurs so that if help is suddenly needed in the home, there will be comfort in knowing that your homemaking agency has already been selected.

### Memory Care Activity Program

The Memory Care Activity Program is designed to help provide stimulation and socialization to individuals with Alzheimer's or other types of dementia, as well as respite time for their caregivers. Participants will have a chance for socialization in planned group activities that are both intellectually and physically stimulating. The group meets Monday, Tuesday, Thursday and Friday from 1:00 - 4:00 p.m. Cost is \$40 per day. Financial assistance may be available. For more information and to register, contact Day Kimball HomeMakers at (860) 928-5441.

### Payment Options

Our services are most often paid for privately by the client or caregiver but may be covered by some long term care insurance plans. Financial assistance is also available for those who qualify and is provided through a grant from the Senior Resources Agency on Aging. If you have any questions regarding our services and payment options, our team of trained office professionals will be happy to assist.
